

AIR PARK SUMMER DAY CAMP

Week #5

Week 4 is rounding up with a trip to our city's capital to learn about the history of art and government on the local level. Campers this week got the opportunity to create and illustrate their own storybook that they shared with the group. Our trip to memorial stadium was highlighted by the campers having the opportunity to score a touchdown on the new turf! We got an inside look at the daily life of many athletes who compete for the Huskers. We also finished the construction of our community bench, which we will paint later on in the summer.

Week 5 will be focused on perfecting our archery skills! We have many challenging and fun archery-themed activities to test the skill levels of each camper. We will still be hard at work with tennis, yoga and brushing up on our American history skills. We will have two separate field trip days. Each group will get the opportunity to visit Traigo water playground (make sure to bring swimsuits)! We will also be having a showing of the movie, Robin Hood.

A few reminders from the staff:

- Tennis shoes are necessary during summer day camp given the amount of physical fitness and walking we do daily.
- Swim days are Monday, Wednesday, & Thursday from 10:45 AM to 12:15 PM. **Don't forget your SUNSCREEN, TOWEL, & SWIMSUIT.**
- Please bring WATER daily. **We can provide a water bottle if needed,** but please make sure it gets filled each morning. We want our campers to stay hydrated!
- Feel free to send your camper with a pair of sunglasses. Eye protection is just as important as skin protection.
- **To reduce the chance of sunburn please bring your child to program with a bottle of sunscreen labeled with the camper's name that we can keep at the center for daily activities.**

Don't forget Uncle Sam Jam on Thursday July 3rd! Our campers have prepared a special song just for the occasion!
